Canteen shifts for each team begin at **5:45** on the day assigned and continue until the cleanup is done for the evening at the conclusion of games.

If your canteen shift is cut short due to weather, or is on a night when games get rescheduled, the canteen shift also gets rescheduled to that date.

A minimum of **5 volunteers** need to be in the canteen at all times. Shifts can be split as needed amongst your team.

No kids are allowed inside the canteen, this is for their safety.

Canteen duty is a requirement, and the penalty for not showing up for a shift is suspension of the head coach.

Please contact Corry Bennett if you have additional questions.
